Reports of Activities undertaken by the institution for cultivation of medicinal plant

1. We have cultivated 315 species with 4754 total plants in 7.18 acre area out of which maximum plants are cultivated.
2. Key Actives undertaken by institute for cultivation –
 - Preparation of Land – e.g. Ploughing, tilling & soil amendment.
 - Planting – Maximum plantation was done in rainy season where we do planation of Medicinal plants like Vasa, Bhallataka, Fig, Coconut, Arjuna, Ankola, Kadamba etc.
 - Being a coastal area, rain is in ample amount. We us our own water reservoir for irrigation purpose during non-monsoon season only. This conserved water facility used for 1 to 3 months after Monsoon. Rest of the months water tankers from outside are at help in refiling the reservoir.
 - Weeding – Unwanted Weeds are control by using proper herbicide application.
 - Fertilization – We are using different type of compost & vermipost as per requirement.
 - Pest & Disease Management - Identifying trees which are infected by any pest of diseased & taking appropriate major to control it.
 - Pruning - For maintenance of eco-friendly environment pruning was done at required basis.

3. On the occasion of world environment day, the public awareness rally and tree plantation program was arranged by our Institution. The rally started at Ayurved gate of college following belpada gaon and A.C patil college of engineering and NIFT and return to our college. The students raised various slogans e.g. '*Isake jaisa daan na duja live life give life*' throughout the rally and holded various posters of saving environment and plants. Then the function proceeds with tree plantation program at Yerala herbal garden. On these occasion Principal sir address the student the importance of tree & motivate the students for planting a tree as they can. Rally received attention of street walking public, shopkeepers & Students etc. which also encourage the people for tree plantation & conservation.
4. Every year we encourage the plantation of medicinal plant species but unfortunately unable to survive all because of some reason, we do plantation of some new species regularly.
5. We have separate area in garden where sapling of different plant species are prepare from seed & Cutting method. Later these plants shifted to big pots and then it is shifted to Land.
6. We have even cultivated round about 130 plants in pots as live specimen.
7. We have well designed Nakshatra Garden which have 27 specific Nakshatra plants.
