### **INCUBATION UNIT**

YMTAMCH an apex institution in its specialty maintains benchmark in the areas of innovation related to research in Ayurveda and sustain well-balanced ecosystem with many other institutes, agencies and organization.

YMTAMCH principal objective is to serve the community by means of developing incubation cells and promoting innovation in research with the expectation of getting astonishing outcomes to be realized on a global platform in health care systems.

To promote entrepreneurship by leveraging academic knowledge, YMTAMCH under the Management/Trust has set up an Incubation and Innovation Cell in its campus to create a cluster of new-age ventures.

The work culture at YMTAMCH is to gather like-minded Technocrats, Entrepreneurs and Start-up enthusiasts through events, workshops, expert sessions, sensitization programs, community engagement and other unique efforts revolving around Innovation and Entrepreneurship.

The Incubation cell at YMTAMCH is for nurturing entrepreneurship and Fostering Ayurveda Knowledge-based start-ups. It administers a business incubator that provides 'Concept to Market' support for Ayurveda Knowledge-based entrepreneurship and facilitates the conversion of research activity into entrepreneurial ventures.

YMTAMCH enable to get first-hand experience in promoting innovation-driven activities at the YMTAMCH and provide a comprehensive and integrated range of support including space, mentoring, training programs, networking and an array of other benefits.

YMTAMCH aims to be the hub of innovative and high impact ventures in the field of Ayurveda and it provides a conducive environment for research-and-technology driven innovations.
