

Details of Alumni Association Activities

Alumni of the YMTAMC are providing mentoring services to students of YMTAMC; this became influential in making the students understand the field of Ayurveda and also the way to plan and shapeup their career in right direction. YMTAMC council invites alumni members as a guest speaker to deliver lecture on specialty subject every year. Their constructive and collaborative association with the institute enables students to find good mentors. The alumni address the students often by sharing their experiences as a student and employees. Alumni members shares very useful information regarding resent advances in clinical practice, new methods to develop practice, different carrier opportunities etc. During the events, the Alumni are sharing their success stories to the ongoing students. Alumni are influential in introducing the outcome-based education in the YMTAMC.

Alumni organizes get together events like Runanubandha in which all alumni are invited. Alumni members performs different cultural activities in those events. Alumni association also gives lifetime achievement awards to those alumni who have achieve great success in the field of Ayurveda.

Alumni organizes campus placement event every year in the YMTAMC for every Alumni association member. YMTAMC provides all necessary infrastructure to conduct such events. Companies like Neural IT, Vasta Bioinformatics, IKS, Madhavbag, Anjali Mukharji etc. are being invited to this campus placement. Many of alumni are getting advantage of this campus placement event for their carrier development. Alumni members do participate actively in this campus placement event every year.

Alumni also organizes book donation activities in which books are donated to YMTAMC library which are used by YMTAMC students.
