IMPROVEMENT OF CLINICAL DOCUMENTATIONS:

1. To Issue hospital cards to the patients:

A hospital card is issued to the patient undergoing kriyakalpa procedures with concerned details that would make a way for them for every follow up and procedures.

2. To issue separate OPD and IPD files:

OPD files for day care procedures and IPD files for advisory admission as per minor or major cases are issued.

3. Maintenance of separate OPD and IPD Register:

Name of the patients is registered in a separate OPD and IPD register.

4. Written Consent of the patients:

Proper written consent is taken of the patients with the signature of the patients and relatives including explanation of the procedure of panchakarma, risk involved mechanism of the procedure and outcome

Relatives/guardian/caretakers consent is considered for patients under the age of 12 years.

5. Maintenance of admission and discharge register:

A separate provision is made of registering the admitted and discharged patients in separate registers

6. Proper billing with receipt and prescription during discharge:

Bill receipt and prescription is given to the patient and follow up is explained on the counter and OPD as well.
