Details of the training program in Anushastrakarma for trainees:

1. Lecture of the procedure in regard to the Anushastrakarma therapy is given to all the concerned trainees.
2. Complete procedure and its possible complications are explained.
3. Proper written consent of parents or guardians of the child is taken and its importance is stated in sessions.
4. Demo of the therapy is carried out on the patients.
5. Post therapy management is executed.
6. Skillful results are achieved.
7. Patients are encouraged to undergo the therapy without any fear.
8. Trainees are trained from the point of view of success of procedure with eminent results to the patients.
9. Trainees are advised to take proper follow up, followed by the next plan of therapy.
12. Trainees are also specially trained to handle instruments of the therapy.
13. Trainees are made to inform the parents or guardian about the possible complications and even the results of the therapy.
